E-NEWSLETTER May / June / July 2017

Website: www.jetsclub.com

Email: jetsclub@bigpond.com

Welcome to the latest edition of the **Jets Classic & Custom Car Club** "E-Newsletter"; published bi-monthly to keep you the Jets member informed of club happenings.

A FEW WORDS FROM OUR PRESIDENT ~ DAVE GALLOWAY.

Hi guys sorry for the delay in getting this newsletter out It's been a very busy time with the club AGM and the house move, For those who may not know Di & I have moved (again) we are now Northern suburbs residents (Bundoora) which puts us closer to family, after several busy weeks we are starting to get back to something like normality. We should get settled in just in time to move again (*It depends how long it takes the Police to find me at the new address*). Let me start this newsletter by welcoming our newest members Phil & Lorraine Jones, A lovely couple who I'm sure will fit in very well, in fact they already have by making a very positive impression on all at the recent AGM, Welcome guys. I know our members will make you feel welcome as they do with everyone. We all hope you enjoy the club as much as we do. Now speaking of the AGM it was held on Sunday 9th July, at Waverley Scout Hall a full report of the day and committee changes follow later in the Newsletter.

Membership renewals were due on the 1st July, so if you haven't already paid the \$70 fees for the next 12 months we would appreciate if you could do so at your earliest convenience. If you have decided not to continue on as a Jets member could you please let me know as we have 11 on the waiting list to join our club. Give me a call Dave 0407024688

Please Read: Rosebud Foreshore Rockfest, I emailed out info a little while back in relation to the Saturday Rock n Roll night, If you want to attend please read that email and book online for the night. Also please let me know when you have booked so John Sciarra can arrange tables for us. More info on the following pages, Any questions give me a call.

Ok enough rambling from me, I hope you enjoy the Newsletter,
Looking forward to seeing you at Lee & Daniels BBQ day.
You should have received an email with all the details.

Jets AGM Sunday 9th July

As you know the Jets AGM was held on Sunday 9th July, unfortunately the venue left a bit to be desired, that was my fault, I thought a scout hall would be a good cost effective alternative to the RSL we've used in previous years, As Chris Astbury would say Galloway you were wrong !!, It was 10 degrees outside and the open fire was completely inadequate, that made it a long cold afternoon, I'd like to thank all the members who braved the conditions and turned up to help make it a good day, A huge thanks to all the girls for bringing along plates of amazing food, you guys truly are the best and really made the day bearable for all of us.

The AGM also produced a couple of changes to the committee Sue Wiggett has stepped down from the Treasurers position for personal reasons and Giovanni Lizza has stepped down as Vice President, Gio has his hands full with work and the projects at home, Gio will remain on the committee to help steer the club moving forward, Thank you both Sue & Gio for your efforts which have seen the Jets car Club grow and prosper and become a club that so many want to be part of. We have 11 people on the waiting list at present .

Welcome aboard Rosanna Chircop as our new Treasurer, Thank you Rosanna for taking on the job which is often a thankless and sometimes challenging position. Brian who as you all know is Rosannas other half has been on the committee for a couple of years and has accepted the nomination to take over from Gio as joint Vice President alongside our long serving VP Chris Gleeson, We decided to run with 2 x Vice Presidents a couple of years ago, this way we should have either Chris, Brian or myself at any Jets event.

Your Jets committee for the next 12 months is as follows:

President:	Dave Galloway
Vice President:	Chris Gleeson
Vice President:	Brian Chircop
Secretary:	Dianne Galloway
Treasurer:	Rosanna Chircop
Committee	Allison Gleeson, Giovanni Lizza.

Past Events:

Jets Annual Car Rally

Sunday May 28th was the 2017 Annual Jets Car Rally, The Customline car club have asked me in the past about doing some joint events with us so this seemed like the perfect opportunity to invite them along, We met up at The Maccas/Servo on Sydney Road Campbellfield next to the Kit Kat factory, Allison handed out the question forms and Chris gave everyone some pointers about the roads ahead, the weather started out CRAP and it only got worse as the day progressed, rain, wind we even had a hail shower, in fact it was so damn cold I saw a brass monkey wrapped in a blanket, now having said all of that, as bad as the weather was it takes more than just a hail shower to keep the Jets away from an event, in true Jets fashion we had a great turnout and combined with Several members of the Customline Car Club there were 75 of us for lunch at the rally destination Kilmore race track. Chris Gleeson and I stayed outside to park cars up as they arrived and full credit to Chris, he outlasted me in the hail shower as we both ended up looking like drowned rats,, Now this was a car rally so there had to be a winner.... but who was it, who were the **2017 Jets Annual Car Rally Champions**Drum Roll..... It was Kevin & Carmen Spiteri....Yep 2 years in a row. Must be something in the water over Altona way, Congratulations guys job well done. So the challenge in now on to the rest of the Jets family to see who can beat them next year. I'm not sure it can be done, they are pretty good at this stuff. Oh and by the way the 2nd thru 5th place finishers were all from the Customline Club, I reckon the Jets family have got a challenge ahead for next year. Allison & Chris once again from all of us, thank you both for organizing another outstanding Jets car rally. It just gets better each year but this creates a problem for Allison & Chris, how do you improve on something that is already so good ???.

Harness Racing Night

Saturday night 24th June

We headed to Tabcorp Park Melton, Now I have to admit I thought this event would be a bit lame but I was surprised, the venue is excellent, the food was very good and the Harness racing added an extra element, It was a great night, the ladies got right into the horse names and Jockey colours and placing 50[¢] bets while the guys gathered around a table and told some tall tales....all true of course. I cant believe how quickly the night went, Everyone agreed this is a must do again event.

UPCOMING EVENTS

August

Sunday 27th Scruff and Lee have invited the Jets family to their new home in Beaconsfield for a pleasant Sunday afternoon BBQ, those who get on Facebook will no doubt have seen pictures of the house and beautiful gardens, There's plenty of parking in the ~~Garden beds~~ ah Driveway for the cars, It will be BYO meat for the BBQ or bring a picnic basket, and whatever you like to drink, even if the weather is not great we will have the Gazebo's set up so bring along your folding chair and lets have a relaxing afternoon,

September

Sunday 3rd Unfortunately this one is now closed off we have been allocated an area to park 15 cars the club trailer and gazebo on the beautiful grassed O'Donnel Park opposite Luna Park, Our 15 allocated spots have now all been filled, John Leggo has secured a discount on the parking for us, cost is \$28 per car, John has paid for all 15 cars out of his own pocket to make sure our parking is guaranteed so for all those who contacted me to book a spot, Payment is now due Please EFT \$28 into the Jets bank account using your Surname as the reference. Then the club can reimburse John . Thanks John for making the process easy for all of us. This should be a ripper day a car show with a difference.

October

Sunday 15th we are heading to Maddingley Park Bacchus Marsh for the Marsh Rodders Show Shine & Swap meet, We've done this one a few times in the past and it's always a great day, hundreds of great cars music swap meet lots of trade stalls and food vendors. The only downside is that it is so popular you do have to be there early to get in. Look for an email in early October with meeting points and times.

November

We had penciled in Rosebud Foreshore Rockfest for Sunday 17th Same event we did last year but it seems now that the organizers from last year have pulled out, This is where the problem begins the new Sunday Show & Shine organizers are Melbourne Old School Cruisers, and that could be a problem They regularly get in excess of 1500 cars at their events of all makes, all shapes, all models and all years The problem I see here is Rosebud trying to cope with 1500 ~ 2000 cars trying to park up, on Sunday that will already be busy with tourist traffic Sounds like a recipe for disaster. I've tried to contact MOSC several times over the past few weeks to get some info on how they plan to do things. I've had no response from them, so my thinking is we should have a backup plan in place, We have a Committee meeting this Tuesday night 8th August so we will discuss and come up with a plan. Maybe we can do a cruise to a pub or Eatery on the Peninsula for lunch that Sunday. Stay tuned I'll let you know what's decided.

December

Sunday 3rd Jets Christmas Lunch at Wheelers Hill Hotel, we have booked a room traditional christmas fare. More details will follow

DIGIQUEEN

Photo Re-touching & Pin striping

As I'm sure you are all aware we have a very talented lady in our midst. Her name is Julie Neville and she has a business called Digiqueen where she does professional re-touching of photos.

Apart from her amazing computer skills, Jules has another hidden talent. She is a very good sign artist here is some of the work she has produced. If you really want to give your vehicle, toolbox, esky etc, that personalized custom look why not have Jules do some pin striping for you.

Here is just a sample of her work.

Jets Feature Car

Stevie & Chrissie's Gorgeous 65 Mustang Coupe.

Name: Steve and Chrissie Sayer

Vehicle Make: Ford

Vehicle Model: Mustang

Year : 1965 – (same as Steve)

Body Type :- Coupe

Body Colour :- Black with Black Stripes

Interior Colour :- Black

Engine :- 289 Windsor V8

Transmission :-Auto

Differential :- Open

Standard Equip:- 4 wheels, 2 doors, window winders, almost has a heater.

Purchased From:- Fellow Jet's member Dave Mackenzie who we have to thank for making the car look as good as it does. We saw the car for sale at Flemington 2016 out the front of The Jet's marque and not only bought the car, but joined The Jets. Two very good decisions.

Modifications :- at this stage, Electronic Ignition, Holley Carb, Shelby Steering Wheel, more to come in the future.

Wheels Type & Size:-

17 inch Alloy wheels, Streeter's

Work you've done or had done:-

As always with these older cars, it is always a work in progress. I try and do as much as I can myself, but there are some things I don't have time, tools or skills.

So far though, the work I have done:-

Disc Brake conversion (front only) Thermo Fan and shroud New Radiator New Halogen Headlights and added relays so the switch didn't keep overheating and turning the lights off... at night that was not much fun. Added temperature and oil pressure gauges

The work I've had done:-

New Tyres, Wheel Alignment
Rear window removed and sealed.
(3 times to get it right)

Future Plans:-

Drive it as much as possible.
Power Steering Conversion so Chrissie can drive it, Would love to do an engine rebuild - or at least remove heads and do them up Limited Slip Diff Rear GT Valance with the exhaust coming out of it and lights. Change the grille, more speakers and an amp

What do you enjoy most about your Car:-

Driving it. Just getting in the car with Sierra, Chrissie and then drive. We have done many thousands of kilometers since we bought the car. Most weekends we try and go for a drive somewhere, just up through the Dandenong's or out to the great ocean road or pick up friends from the airport.

For those members on Facebook you will have seen this,
A request has been submitted to the club by the Pink Flamingos aka, Evie, Pattie & Tanya
To have a NEW club trailer ready for Rusty Springs next year, don't worry Boys it's not all about Wine & Spirits we can have carlton draught on tap and the BBQ trailer can park alongside, No doubt this will really liven up a car show, I wonder if an entire club has ever been evicted from a car show.

THE ULTIMATE CRUISE

A little while back in a previous club Newsletter we suggested a Pacific Island Cruise, unfortunately It didn't happen, I think it's because someone being very negative mentioned the cars might not handle the salt water very well, so following a lot of deliberation this time we've decided an 80,000ton cruise liner would be a better option.

Di and I have booked on the Carnival Spirit for departing 24th July 2018. And we'd love for some of the Jets family to come along as well. She Departs Sydney 6pm 24th July 9 nights price is from \$1149.00 which includes up to \$300 on board credits Price covers everything (All meals, Entertainment other than drinks) which are usually very cheap, This will be our 3rd cruise we keep going back because it's a great relaxing Holiday. Check out the cruise <https://www.carnival.com.au/find-a-cruise/details?voyage=S821>

The Committee are always looking for new places for club cruises, we work hard to come up with events that will appeal to all members, you can help us by bringing forward any ideas for an event or venue for us to visit, please feel free to contact us and share. Things like day cruises to a place of interest, maybe a picnic spot for lunch or your favourite Car Show or maybe even a night without the cars, a movie night or a stage show. Let us know your thoughts and what you'd like to see your club doing.

If you have any questions, concerns or ideas please contact us on the club Email: Jetscarclub@bigpond.com
