Welcome to the latest edition of the **Jets Classic & Custom Car Club** "E-Newsletter"; published bi-monthly to keep you the Jets member informed of club happenings.

A FEW WORDS FROM OUR PRESIDENT ~ DAVE GALLOWAY.

Happy New Year & Welcome back to all members, I hope everyone had a fantastic Christmas & New Year, as this is our first Newsletter since September 2015 so in this newsletter we will review the final few events of 2015.

I'd like to welcome some new members to the Jets family firstly John & Raelene Leggo some of you may know John he was the driving force behind Lets Go Cruising , John has a 66 Mustang Coupe along with several other beautiful cars. Welcome also to Adam & Julie Neville who joined us at Ferny Creek they have a 64 Thunderbird which is being readied for some cruising action. Our newest members heading into 2016 are Lee & Tessie Mifsud who are also just about to get their 64 Thunderbird on the road. Welcome to you all and I'm sure you will enjoy your time with the Jets Car Club. There is one thing I know for sure, our existing members will make you feel very welcome, It's one of the comments I hear most from new members attending their first club event. Our current membership stands at 36 members so we are achieving our goal of not just growing the club for the sake of adding new members but growing by attracting the right people to the club, people who enjoy their cars for the right reason and who enjoy having a good time with like minded people. Thank you all for making the effort to support your club and for making all of our events something to look forward to. 2016 will no doubt be another great year for the club, we will be mixing up the events we attend but of course still locking in some of the favorites of each year. Our first club event of 2016 will be All American at Gembrook although it's called all American they are easy going and **Aussie cars of correct age are welcome.**

We will again do our weekend away at Rusty Springs in March, This was a real standout last year and I'm sure this year will be every bit as good. We've extended the stay this year to include the Friday for those who want to make the most of the weekend,

Newsletter Jan ~ Feb 2016

A very popular one day event is the All American Car Show at Flemington it's back again for 2016, this year it will be Sunday 1st of May, The Jets car rally is another great day look for this one on Sunday 29th May . Hopefully we can schedule in a Drive-in night this year, there are two that i know of and they are always a good fun night .Another great weekend event although not officially a Jets club event is the Bright Rod Run held in November, The 2015 event saw lots of Jets car club members attend and it was just a fantastic 4 days. As usual an Email explaining the upcoming event will be sent out in the week leading up to an event followed by a reminder text. So look for an email around the end of January. You'll see to the right we've added a column called Jets Events in future newsletters this column will list the events we will be doing as a club I think thats about it for now. Remember to check the website (address above) and we are also on Facebook, It's easy and free to join up and there's loads of good car stuff.

Keep Cruzin: Dave

Past Events

‘Marsh Rodder’s ~ Show, Shine & Swap Meet ~ Bacchus Marsh Sunday 18th October

Always a good day the Marsh Rodder’s ~ Show, Shine & Swap Meet didn’t disappoint in 2015, around 500 to 600 cars turned out and the weather was brilliant. As usual the Jets had a big turn out with 18 cars. The bargain hunters got in early and cleaned out all the good stuff, traditionally this event attracts cars you don’t see elsewhere and this year was no exception ~ Lots of very cool cars. As per last year the organizers put us on the hill which is a great location, with the new club gazebo set up and all members in club colours we fired up the BBQ and set about having a great day, oh yeah we also took out the ‘Top Club’ award a fitting end to a great day and as usual we were last ones standing and the organizers asked Kevin to close the gate on the way out.

Vintage, Classic & Custom Car Show ~ Ferny creek Sunday 23rd November

This one was an early start as the event organizers wanted some pics for next year’s promotion

and the local papers so we met at Ferntree Gully and cruised thru the hills while the paparazzi snapped some pics, a group photo followed for next year’s event flyer. Even though we were on the road early this was another great day and you can’t help but love the old world country atmosphere that this venue offers. The car numbers took a long time to build but I think that made it even better as it had a real picnic feel, the stand out car on the day was the ‘Tucker’ but congratulations to Kevin on winning “Best Interior” with his Thunderbird, Chris got a good deal on a set of tyres

in the auction and the rest of just had a great day.

Jets Christmas Party ~ Oakleigh RSL Sunday 29th November

The venue was Oakleigh RSL and we had the entire venue to ourselves, Sue and her RSL team set two adjoining rooms up for us and the tables looked great fully dressed for Christmas with 'Chrissy' decorations and 'Bon-Bon's'. The chef really out did himself with a selection of 5

Christmas main courses, followed by Christmas pudding that really hit the spot, *I saved some on my T-Shirt for later*. The theme was 50's 'Rock & Roll' and looking around the room there were some real sites. Someone said there were two Elvis Presley's in the room, I think they were called Jerry & Jerry or the 'Jeriatrics'. Many of the girls wore their 50's rock'n'roll gear and it made a great site to see them all looking absolutely stunning. Our sound man Chris G provided the 50's music and a few cool cats even cut a rug (*Not sure what that means, I heard someone say it*). All in all a great day great company, great venue and the food was excellent. I think we had around 40 people attended so well done again to the Jets family. A

Christmas to remember - thanks Allison for organizing it all, couldn't have been better. I just noticed..... if you look at the picture Just to the left of the girls you'll see Elvis leaving the building.

Rob & Mary's Classic Car Display Geelong Sunday 13th December

The last cruise of 2015 again the weather was amazing, 23 cars turned out plus a few members in daily drivers. Our welcome and provided The car collection was and a great collection had their favourite car, hard to pick just one Fairlane took the cake hours drooling over eatery for lunch and a lasted for several to cap off a great day out.

hosts Rob & Mary made us feel very morning tea for us - truly lovely people. predominantly very good driver quality of 50's to 70's Fords. I think everyone there were so many cool cars it was but I think the White 64 Compact for me. After spending a couple of Rob's cars we headed off to a local long cold one (drink that is) lunch hours with lots of talking and laughing
