Paradise Valley Hotel

This would be the first of our Car Show / Lunch Cruise days.

Rosanna came up with the Idea at a committee meeting and it makes perfect sense. Book a lunch venue near a car show, that way we have the best of both worlds

Option 1. Head to the car show and spend a few hours checking it out and then around midday head to lunch at the pre-booked venue, (as we all know most car shows are winding down by midday anyway).

Option 2. Sleep in and cruise to the lunch venue at your leisure.

Win Win.

The day started out pretty damp, cool and overcast and by mid-morning it had undergone a dramatic change to become pretty damp, cool and overcast, Good old Melbourne weather always keeps you guessing. The weather took it's effect on the Ferny Creek car show as well, but the weather doesn't stop the Jets from having a good day out as 38 of us braved the cold wind, and made our way to the Paradise Valley Hotel in Clematis, once we moved inside it was all good, in fact it was great, they had our tables set up out on the fully enclosed sun deck area overlooking the gardens and Puffing Billy railway. It made a great talking point as we had lunch and watched the Old Girl steam her way past with lots of waving kids and that familiar steam whistle. Everyone seemed to enjoy the meal and the laughs and chatter were plentiful. Lots of favourable comments on the venue and the food, I'm sure we will be back here again in the future, Thanks to Allison for organizing a great day.

UNFORTUNATELY WE DIDN'T GET ANY PICS OF THE DAY

We were having way too much fun
